As names go, Scarlet isn't very apt. We're thinking more blue judging by her attire and her attitude. But colours don't seem to matter to the 21-year-old Leeds lass because she likes it in the pink and the brown – at the same time. "If you've not had two cocks up you at the same time then you haven't lived," she reckons. "I've had loads of fucks but none of them have been as exciting as when I got done by two guys at once. It takes a lot to fill both my holes but they seemed to do the job without any problems and I rewarded them both with one almighty orgasm. It's just a shame I didn't have a third cock in my mouth to keep me quiet!"

MEANWHILE... BEHIND THE SCENES AT ESCORT

Ed's assistant Julia Jones has been ordered to smarten up her act. So out go the low-cut tops and mini skirts, in come the power suits. She's still a filthy cow though and wants to hear from you lot. Write to her at Escort, 2 Archer St, London W1D 7AW.

BOOGIE NIGHTS!

Hot on the heels of his stand-up comedy appearances at the Edinburgh festival, Ben Dover is now trying his hand at being a superstar DJ. OK, that's not strictly true - he's just putting his name to a club night. But that's not a bad thing since the first night of his Porn Disco was crammed with horny sluts and a hot tub so you can imagine what went down. You can check out www.ben-dover.biz for details of the next one!

Letters to Julia

Dear Julia, Thanks for the bundle of magazines you recently sent to us here in Afghanistan. It's comforting to myself and the boys that people like yourself are still thinking of us soldiers out here on the front line. The support shown by yourself is valued and makes being out here that little more easier.

L/Cpl Wayne, Fire Support Section
Cdr, 2RRF, Afghanistan.

Julia says: It's a pleasure, Wayne. If we could send over packages of our models and horny wives we would do! While we can't do that here's a picture of Julieann from North Wales looking ready for battle. I'm sure she appreciates your efforts, too!

Dear Julia, I've just put down my copy of *Escort* vol 29 no 9 after spending hours drooling over new girl Kyra. I can't believe she shares a flat with Natalia - that has to be Shrewsbury's answer to the Playboy mansion minus the old bloke in the dressing gown. What I'd like to know is whether they share a bed or not. I've

already thought about the pair of them lezzing it up morning, noon and night. And when they have friends round it must always turn into an orgy. They don't need another flatmate, do they? Chris, Huddersfield.

Julia says: I've already bagsied being their next flatmate - even though it's a bit far to commute everyday. As for whether they share a bed, check out p. 23 to see what they get up to behind closed doors!

If you go down to the woods today you're sure of a big surprise—*and* this lucky rambler/stalker realized when he caught India putting up more than just her tent. B-34.

REAL WIFE SEX

Zoe, 29,
Chorley

Zoe and her husband went to Tenerife a happy couple, they came back raving swingers...

Me and my husband Tony have just come back from two weeks in Tenerife. We went there just to chill out but after meeting another couple in the same hotel as us it ended up becoming a bit of a sex extravaganza.

We'd been there a few days, just lounging by the pool when Tony got talking to this bloke, Ricky. I'd seen him and his wife arrive the day before.

Tony introduced me to Ricky and then he called his wife Charlotte over. She had a great body and must have spent a lot of time on sun beds back home because she was already very brown.

That evening Ricky and Charlotte joined us and we ate. I was sitting opposite Charlotte who was wearing a really low-cut top showing off her massive boobs. I was very impressed by them and it

We all got chatting and after spending the afternoon by the pool together we agreed to meet later for dinner in the hotel restaurant.

seemed Tony was too.

After dinner we retired to the bar and it was then the other couple revealed to us that they were swingers. Tony and I had never done anything like swinging before and we were full of questions.

Ricky and Charlotte loved telling us all about their antics and I was particularly curious when she told me that she'd once been in the middle of a jerk circle.

I said I'd love to be surrounded by loads of men all wanking over me. On

hearing that Ricky suggested we take our first foray into swinging.

I looked at my husband to see if he was up for it. Judging by the attention he was showing Charlotte's tits I think he was.

"Well, what are we waiting for?" Charlotte said as she stood up and then insisted we follow her to their room.

Minutes later we were upstairs in their hotel room, cracking open a bottle of wine as Charlotte climbed on the bed and started undressing.

Her huge boobs flopped out of her top and when she took her skirt and knickers off I could see she was cleanly-shaven.

She beckoned me over to join her on the bed. I climbed on and was taken aback when she started undressing me.

As she unclipped my bra she gave my tits a squeeze and licked my nipples.

The men were smiling as they watched me embark on my first ever lesbian encounter. I just knelt there as Charlotte put her hand down the front of my knickers.

"Nat's a natural at it," reckons Kyra. "She's got a way with her hands that gets me moist between the legs. She's such a tease because she was rubbing close to all my sensitive parts but not actually touching them. Eventually I had to grab the baby oil and start rubbing her up. My fingers were ramming her cunt with such speed I made her cum in minutes. After that mucky malarkey both our twats were dripping wet and the juices went everywhere!"

An old girlfriend of mine recently got in touch with me via one of those social networking websites. You know, the ones that all the youngsters are on.

pussy was moistening at the thought of what could possibly happen and although I'm not bisexual something really hit the spot when she cupped my boobs.

With me so excited now I suggested we all go back to

Lynn,
Bristol

Her name was Helen and she'd recently got divorced, which didn't surprise me.

She always used to be a bit of a slut and loved fucking loads of blokes. Which, I later discovered when I met up with her, is why her marriage failed.

When my hubby and I met up with her in a pub one night I knew immediately she obviously hadn't changed as she was flirting heavily with my husband as soon as I introduced them.

I jokingly told her if she wanted a piece of my husband she'd have to go through me first. With that she grabbed my boobs and told me she would be more than happy to do me first.

This got me really horny. My

place. On the way home I whispered to my hubby just what I had in mind and it made his cock rock hard.

When we arrived home I told Helen she could have my husband – but she had to have me first just like she had promised earlier.

We started snogging and on seeing this my husband led us both to the bedroom. We stripped each other off and resumed our embrace.

We couldn't keep our hands off of each other, sucking each other's breasts and fingering each other's pussies. Meanwhile my hubby got his cock out and was wanking himself as he watched us get it on.

Helen lay on the bed and before I joined her I opened my drawer to show off my range of toys. I rummaged through the drawer, pulled out a my weapon of choice – a big black dildo and my strap-on.

Once I was strapped up I got Helen doggy-style and

As I was giving Helen a good seeing-to, my husband crept up behind me and pulled the thong of the strap-on to one side to slip into my wet pussy.

He then pushed me over

them a good squeeze. I have never experienced anything like it. We were

humping away at each other with me sandwiched snugly in the middle.

Helen and I were both screaming now. She came first, then it was my turn and finally it ended with my hubby pulling out, spraying his spunk all over her face.

I licked all the spunk off of her face and when she asked for some I said she couldn't have it as he was my husband.

She begged until I eventually dropped a thick globule of cum into her open mouth.

I'll need something warm to snuggle up to and it might as well be a stranger's big one! Fuck me, this tent is useless — I wish it was me getting pegged!" Truck fuck

My wife Delia is very sexy and she will do anything. And I mean absolutely anything.

Her photos appeared in *Escort* recently and she received some very interesting replies. Being the total slut that she is she wanted to respond to every single one of them.

One of them that really caught her eye – and her imagination – was from a lorry driver called Ben. She decid-

horny – flashing her cunt to total strangers.

After Delia had done enough flashing and got herself in the right mood we went back to Ben's lorry. It was parked in a secluded lay-by so he could have his fun with my wife in his cab while I watched and took photos.

He had a massive cock and my wife loved sucking it. Then Ben and I took turns fucking her. We ended up spunking in her cunt, in her mouth and all over her tits.

Delia's got lovely big nip-

He had a massive cock and my wife loved sucking it

ed to get in touch with him for some fun.

We arranged to meet up with Ben and then the three of us went to a few public places so Delia could do some of what she does best to get her

plies and loves having them played with and sucked. She also has a big cunt and has had everything stuffed up her from sex toys to fresh marrows.

Ben loved licking her out

and having his cock up her. It was a real turn-on for me and my wife as we had never fucked in a lorry with a bed in it

Delia's twat.

Eventually Delia announced she was so sore from Ben and I fucking her so hard

before. Come to think of it we had never fucked in a lorry before!

I watched as she lay there with her legs spread wide open to take Ben's length. She seemed to love every stroke as he pounded in and out of her sopping cunt.

Every now and then I would swap places with Ben so that I could ram my cock up

over and over again that she wanted us to lick her out.

We did that, making her cum in minutes and telling us that it was the filthiest fuck she'd ever had.

So we arranged to meet Ben again, but next time we were going to take him back to our place for a more comfortable fuck. I can't wait for that to happen.

I Made CONTACT

Thousands of horny readers have met through Escort Contact – and this is where they tell us what happened...

LESLEY, STAFFS.
34D, 40 years old. Letters, p. 46.
"When my husband took me out
for my 40th birthday I ended up
fucking three other guys!"

Lucky Lesley (last seen in vol 29 no 8) has a husband who loves bringing treats home for her!

Dear Escort,
My husband mentioned to me that he needed to keep me happy and satisfied. He knows I'm such a horny cow and that his dick simply isn't enough for my needs.

To solve this problem he came home a few weeks ago with a guest. He was introduced to me as Carl, a young black guy who worked on the same building site as my husband.

My hubby had obviously told Carl all about me because from the moment we were introduced his hungry gaze was ogling my ripe figure. I didn't mind the attention because he was so young, fit and, as I was later to discover, very well-endowed.

We behaved in a civilised way at first although I was finding it hard to hide my excitement.

"Aren't you going to give our guest a welcoming kiss?" my hubby asked.

So I stood up and the next minute I was in a bear-hug as Carl kissed me passionately. I had never been kissed by a black man before.

I clung to Carl as he slipped his hands under my skirt to grasp my plump buttocks and then he pulled my crotch against his big hard bulge.

By then I was like a bitch on heat. I had no need to look at my hubby for approval because I knew full

well that he had deliberately brought this 'toy' home with him for me to play with.

We didn't even have time to go to the bedroom because the desperately horny Carl undressed me and himself in the sitting room.

He then lowered me down onto our thick pile carpet and

I watched as he revealed his impressive manhood.

I was shocked when I saw the size of his huge ebony cock. It must have been a foot long.

I asked if I could kiss it and Carl let me, while my husband looked on in awe. My husband seemed to be

"ALWAYS ON BLACK"

enjoying the performance just as much as myself.

I have heard that wife-watchers get more satisfaction from watching black-on-white action. Especially if the guy has a big hard cock!

Well, Carl certainly had one and I started to suck him off.

After I made Carl cum in my mouth I couldn't believe it when he asked to see if I had swallowed it all.

Of course, I had swallowed the lot like I usually do.

Carl then gave me the fuck of my life. He fucked me like an animal, making me cum loads while my husband watched.

After seeing the action for himself my hubby now knows I'm satisfied.

And it probably won't surprise you that Carl has become a regular visitor to our place now!

Lesley, Staffs

What's a nice girl like Cynthia doing among the pages of *Escort*? Well, Cynth you asked the flirty 30-year-old from Swansea will tell you. "I'm such an exhibitionist but flashing my bits to local fellas just doesn't do it for me anymore. They're so used to seeing my tits and arse I don't get the shocked looks from them. So I thought if I start appearing in your magazine I might get the satisfaction I'm after. I'm hoping to hear from your horny readers and I'd love to know what they'd like to do to me. I know what I'd like from them – a big mouthful of cock and then loads of their spunk running down my throat!"

36P

A black and white photograph of a woman from the waist up, wearing a dark, patterned lace lingerie set. She is holding a lit cigarette in her right hand and has her left hand near her face. The background is dark.

A woman with dark hair tied back, wearing a black bikini top and bottoms, stands against a dark background. She holds a white rectangular sign in front of her chest with both hands. The sign has a black border and contains the following text:

NO. 69
**SWEET & STICKY
PUSSY JUICE!**

**HOT 'N'
SPICY
FUCK
SLUT!!**

A woman in a bikini stands next to a stack of books. The books have titles like 'POSH TOTTY' and 'JUDITH'S'. A phone number '0909 866 0556' is at the bottom.

The image shows a woman in a black leather outfit, possibly a dominatrix or dancer, standing in a dark setting. Overlaid on the image is text in a stylized font. At the top, 'BLACK BOOTY' is written in large letters. Below it, 'POUND MY BLACK ARSE!' is written in a smaller, star-shaped frame. At the bottom, 'CALL NOW 0909 866 0017.' is displayed. The background is dark and moody.

A stylized illustration of a woman's torso and legs in lingerie, including a corset and stockings, positioned to the right of the contact information.

A banner for a escort service. It features a woman's torso from the side, showing her breasts. The text 'BIG BOOBS' is written in large, bold, white letters, with 'SMOTHERED IN IT'S' underneath in a smaller, blue font. Below this, the text 'CALL NOW - CALL NOW - CALL NOW - CALL NOW' is repeated four times. At the bottom, the phone number '0909 866 0183' is displayed in large, bold, yellow digits.

HARDCORE SLUTS!

The image shows the front cover of a magazine titled "SISSY TRAINING SCHOOL". The title is at the top in large, bold, black letters. Below it is a photo of a woman with dark hair, wearing a white blouse with a large black bow tie. The text "YOU'LL BE MY PERFECT SISSY BITCH!" is overlaid on the photo. At the bottom, it says "INTENSE TRAINING IN THE FOLLOWING AREAS".

REAL WIFE SEX

Zoe's story continued from page 21

I felt her finger rub over my mound until she found my slit. Then she slid her finger in and began poking my hole.

I leant back and opened my legs, allowing her to get better access to my soaking pussy.

It felt a bit weird to have another woman fiddling with me but it was even weirder to have a couple of men watching us do it.

When I was lying on my back Charlotte went down on me. Her tongue lapped at my pussy lips and I started to lose myself in the sensation.

Before I knew it both of the men had stripped naked and joined us on the bed. Tony was behind Charlotte and spreading her cheeks so that he could lick her pussy.

Meanwhile Ricky was knelt beside me offering me his meaty cock. I wrapped my hand around it and began to wank

him off. His bulging helmet met

looked so tasty I had to give it a lick.

As soon as my tongue touched the tip of his cock, Ricky shoved the whole length into my mouth.

I took him right to the back of my throat and sucked awkwardly as he rammed my mouth. Charlotte was still munching on my cunt and obviously enjoying Tony's tongue in her twat.

Being so new to this experience and getting so carried away by it I was the first to cum. Ricky kept fucking my mouth but when my juices ran into Charlotte's mouth she pulled away.

Out of the corner of my eye I could

He offered me his dripping cock!

see her kissing Tony, obviously giving him a taste of my juices. Then they got into a 69 position with each other.

I wanted to do the same with Ricky so I got him to turn round and start eating me out. I could feel his stubble brushing against my twat and it certainly made a difference to the gentle touch of his wife.

After a while Ricky pulled his cock out of my mouth and positioned me on all fours. He then got Charlotte to spread her legs right in front of me while he took me from behind.

I had never eaten out another woman before and couldn't really decline as Charlotte's pussy was there glistening in front of me.

As Ricky slid his cock into my moist twat I tucked in on his wife's cunt. It tasted delightful and I got the hang of it straight away.

Charlotte wriggled around as I tongued her twat. I was really getting into it but then my husband moved between us and offered me his hard dick.

I alternated between eating Charlotte's pussy and sucking Tony's dick until he said he wanted to fuck her. So I got out the way and

Tony mounted her.

Seeing this really turned Ricky on and he started pounding away at me. I couldn't believe it when I

came for a second time before the others had their first.

Tony was the next to cum. He spurted his entire load inside Charlotte's cunt. As he pulled out he offered me the dripping mess on the end of his cock.

I gave it a good tonguing before moving between Charlotte's legs to suck out the rest of my husband's cum.

There was loads dribbling out of her pussy and when I had a good mouthful Charlotte said she wanted to kiss me.

We tongued each other and swapped the ball of spunk between our mouths until she swallowed it.

No sooner had she downed the lot, Ricky said he was about to cum. He pulled his cock out of my pussy and stood between me and Charlotte.

We knelt there with open mouths awaiting his seed. Eventually after wanking himself off we were rewarded with a shower of thick spunk.

Charlotte and I were coated in it and we spent the next few minutes licking each other clean. Then Charlotte reminded me that she hadn't cum and begged me to go down on her.

I spent ages licking her out until she eventually came. Her pussy gushed with juices and I reck-on she would have needed a bit of a rest but that wasn't possible as the fellas had got their hard-ons back and wanted more.

We ended up spending the whole night having a

foursome and as you can imagine the rest of the holiday too. On one occasion Charlotte and I had an evening in together while the lads went out.

That was until Tony and Ricky came back with a few lads they'd met and I ended up being in the middle of my first jerk circle.

Now we're back from our holiday but we've promised to meet up with Ricky and Charlotte on a regular basis. We're also hoping to meet up with other couples for some filthy no-strings fun! ☺

vivianne

Kent cutie Vivianne (28) has a husband, a lezzie lover and a trusty dildo. So you'd think she was satisfied in the sex department. But it seems not. "I don't know what's wrong with me but I find it very hard to cum. I could be having the shag of my life and it takes me absolutely ages to orgasm. However, when I do cum you certainly know about it. My orgasms last for ages and leave my legs quivering like jelly. Whoever's having the pleasure of my twat also gets some of the creamiest cunt juice they'll ever taste. Or at least, that's what they've told me. I guess you could say I'm more a quality not quantity kind of cummer!"

Bottoms up

My fella said he wanted to take me out for a special night. I thought we were going for a meal but he picked me up and took me to a hotel room where he said he'd love to taste me.

He pushed me on to the bed and it was quite lucky for him that I hadn't worn any underwear that evening.

I opened my legs wide as he plunged his tongue into my pussy. He pushed it deeper and deeper until I came, gushing all over his tongue.

I pulled him off and got his big bulging cock deep in my throat. It wasn't long before he pumped his load right down my throat.

My pusey was soaking wet by this time so I sat on his

face and rode him like never before.

We were getting well into a deep 69 when there was a knock at the door. It was the waiter bringing up a bottle of champers.

He just stood there gawping at us until I told him to join us.

I grabbed the cork and started inserting it into my soaking pussy. The waiter took this as an invite and

I told them there was one more hole that needed filling

The waiter got undressed and poured the champagne all over us. We started licking it off each other's bodies and once again I opened my legs wide.

started fucking me.

My fella shoved his cock back in my mouth and the pair of them pushed as deep as they could possibly go in either hole.

Pillow talk

I read my husband's copy of Escort regularly – he hides it under the bed.

I'm always enthralled by the letters but although I find them a turn-on, I never believed they were true until recently.

We went to a party and my husband brought back his mate Paul to stay over in our spare room.

My husband went early to work the next day. Having seen him off to work I decided to take Paul some tea and toast as he had a day off.

I tapped lightly at the door and entered. I got the shock of my life. Paul was fast asleep, naked on the bed, sporting the biggest erection I'd ever seen.

Paul stirred and woke up as I stood there in amazement. I expected him to pull the covers up but he just gave me a sleepy smile and murmured, "See anything you like?"

"It's so big," I stammered.

I placed the tea on the bedside table and went to leave but he grabbed my arm and pulled my hand towards his massive stonk-on.

I started to rub my palm up

down towards his mammoth member.

I kissed the tip and licked around his purple helmet.

Then he put his own hand round his dick and started wanking it, the bell-end still jammed between my lips. His hand kept my head steady as he fucked into it.

Within a minute or two I could feel him pumping into my mouth. My husband likes me to take his cum

His dick jammed in my mouth, he wanked off

and down his throbbing shaft.

I wanked him off slowly as he French kissed me. He wrapped his arm around my shoulder and pushed my head

but this was something else – jet after jet of hot sweet cum.

I managed as much as I could but still some dribbled

I came – then so did the men. I told them there was still one more hole that

needed filling. I sat on the waiter and rode him while my fella entered my arse.

Then we had another surprise. A waitress arrived at our room and so once again we invited her to join us.

The guys moved out of the way and let her start sucking on my tits and fingering me. Then we began licking each other out and the men joined back in.

We ended up sucking them off until they came all over us before the waiter and waitress returned to work leaving me and my fella to carry on the fun.

out of the corners of my mouth and down his fuck-flesh.

After he'd recovered he pulled off my dressing gown and ripped my knickers off. "Your turn," he said.

He parted my trembling thighs and went down on me. He was sucking and licking me for ages, occasionally finger-fucking me until I shook with pleasure.

Then he climbed on to me. I looked down with pleasure to see his rigid rod entering me.

I was wet as hell and he slid easily into me, right up to his hairy hilt. Then he started to fuck me – my God, it was good. He dicked me for about ten minutes in every position. My boobs were bouncing about everywhere

and I was swearing like a trooper as he gave me the shafting of my life.

We had hours till my husband came home and we made the most of it! It's improved my sex life no end, as you can see from these pictures.

Tori, Essex.

In the mood

My boyfriend Terry is a lot older than me at 42 (I'm 20). I like older men and big cocks, so he is perfect for me.

We go to a club in town every week, and there is this bloke called David who's always down there. I have had my eye on him for ages.

I positioned myself right on the edge of the sofa and told David to fuck me.

Gently at first he pushed his cock inside me. Then he really started to bang me. I told Terry to get up by my side and I took his cock deep into my mouth.

David was banging the fucking hell out of me and it wasn't long before I felt his

David was banging the fucking hell out of me...

I had him down as about 40-45 and not bad looking. I really wanted his cock and I told Terry I was going to go for it one night.

After a few drinks I got chatting to him. We had some drinks together and he was eyeing me up the whole time. We were both up for it so Terry asked him if he'd like to come back to ours for a late night drink.

Well in the taxi back I felt horny as fuck sitting between them. I had one hand on both of their legs, inching up their thighs. I could feel both of them had big hard-ons.

Once inside I sat in the middle of the sofa and started taking my clothes off. David had a really thick cock, bigger even than Terry's.

Now we were all undressed I stuffed Terry's cock into my mouth and started to lick and suck it all the way down the shaft.

He had his fingers inside my moist pussy and Terry was wanking like mad. Then

spunk firing deep inside my cunt. Then Terry let me have his load and I sucked every last drop out of his cock.

After a little rest we all went

to the bedroom. The spunk was still running out of me as I was walking up the stairs.

Once in bed I had both David and my boyfriend doggy-style. To feel David's cock so deep in me was fucking good, he just rammed it so deep.

I came at the same time as he did and as soon as David finished, Terry climbed on. We fucked hard all night and the next morning I was sore but keen to do it all again.
